

Revision tip:

Seneca offer revision podcasts to support GCSE students in preparing for their exams. Find them [here](#).

Revision tip:

Your child has been provided with a CGP revision planner in school. Encourage them to use the blank revision timetables and topic lists in there to structure their revision time effectively.

Revision tip:

Attend revision sessions in school to support your preparation for the exams (and reduce the length of time you will need to revise at home on your own!).

Revision tip:

Try to interleave your revision as much as you can. This technique has been shown to improve the effectiveness of revision:

- It helps retention of the key information in each topic
- It allows you to revise topics regularly
