

Transition 2020 – Meet the Team

Mr J Leck Sixth form tutor

PE Teacher

To the luckiest form class, here's an insight to the best form tutor at Eggescliffe.

WHAT WOULD YOU CONSIDER TO BE THE BEST ASPECTS OF BEING A SIXTH FORM TUTOR?

This is a great opportunity for both of us, as this is my first year as a sixth form tutor. I have an easy going attitude and I am always keen to hear people's stories. Sixth form is the place where you are now treat like adults, so I guess you guys having more ownership and responsibility is the best aspect.

WHAT DO YOU TEACH?

I am a boys PE teacher and I truly believe I have the best job in the world. PE is a great subject to inspire pupils who want to be involved in sport at all levels. The job also allows me to see students in a more of a practical setting and when you see a student work out a new trick/skill or see a team work well together and achieve something is greatly rewarding.

WHAT ARE YOUR HOBBIES?

My hobbies all revolve around sport. I can watch sport all day and it can be any sport. My main sport is hockey and I play/coach this at least once a day but mostly twice a day. I also enjoy playing football, badminton, trampolining and PS4. I also enjoy watching documentaries on famous people detailing on how they got to where they are now. If you haven't already seen it I would recommend the 'Last Dance' on Netflix.

WHAT ADVICE WOULD YOU GIVE TO YOUR Y12 SELF?

Enjoy it. Like I said before, you now have more ownership and responsibility as a young adult. Yes, in lessons you have to work hard and the homework is much harder, but make sure you leave time to have 'you time'. This can be chilling with friends, playing sport/games console or anything that interests you. Finding the balance is sometimes quite tough, but it is the key to success. Lastly, don't be afraid to ask for help, it's not meant to be a breeze.

FAVOURITE GROUP (MUSIC)

I listen to every type of music. It is nearly impossible to find a type of music I don't like. I can listen to rap, grime, MC, rock, swing, noughties music, just about everything. My favourite two songs at the minute are 'Whatever You Like' by T.I and 'Pretty Shining People' by George Ezra Jack Wins remix.
