

Transition 2020 – Meet the Team

Mrs J. Stonehouse
Sixth form tutor

WHAT WOULD YOU CONSIDER TO BE THE BEST ASPECTS OF BEING A SIXTH FORM TUTOR?

It is an absolute privilege to support and guide my tutees through their studies, career choices and application processes. Also, it's so much fun to get involved in everything from charity workouts to bake sales. The assemblies are hilarious!

WHAT DO YOU TEACH?

I teach art, textile art and photography at A' Level; BTEC art at GCSE and art & design at KS3.

WHAT ARE YOUR HOBBIES?

My main hobby is walking Max the Cocker Spaniel, usually around the cliffs and beach. I love visiting art galleries and historical landmarks. I enjoy gardening, decorating, reading, cooking and anything which involves being in the sunshine.

WHAT ADVICE WOULD YOU GIVE TO YOUR Y12 SELF?

It's going to be fine!!
Stop worrying so much, everything will work out in the end! If it isn't, it's not the end!

FAVOURITE GROUP (MUSIC)

My favourite band is The Killers (I'm gutted I can't see them again until next year!) I love everything from the Beatles to The View... and I love having music playing in the background, I constantly listen to Radio X.
