

Addendum to Child Protection Policy due to the circumstances of COVID-19

Due to the current unprecedented circumstances of the COVID-19 virus it is necessary that all schools are prepared and have appropriate arrangements in place in relation to the management of any safeguarding or child protection concerns both on and off site during this time. Therefore, we have produced this cover note/addendum to our existing school's Child Protection Policy Template to ensure all staff, Governors and Parents understand our protocols for managing child protection concerns during this time.

Designated Safeguarding Leads and Deputies

On Site: While our school site remains open for vulnerable children and children of key workers, the Designated Safeguarding Leads/Deputies are:

- Dianne Williams
- Caroline Lear
- Carolyn Hewitt
- Stephen Morrison
- Georgina Crook

and continue to be our Designated Safeguarding Leads/Deputies due to their level of training and skill. However due to these unprecedented circumstances they may not physically be on our school site every day. In this case the following named individuals will be physically on site each day and will liaise directly with the Designated Safeguarding Leads/Deputies if any incidents of a child protection nature occur.

Please Note: Dianne Williams or Caroline Lear will be in school every day during the altered school day

While we have an altered school and some children are remote learning our Designated Safeguarding Leads/Deputies will continue to remain in contact with those children who we deem are vulnerable or have a multi-agency statutory plan in place to safeguard them.

Should our school site be entirely closed then we will update our website and Child Protection Policy with our arrangements.

Arrangements for Contact with Vulnerable Children

Where our school remain open, the Designated Safeguarding Leads and Deputies are fully aware of their vulnerable children and those they are expecting into school each day, should that child not arrive then the Designated Safeguarding Lead or Deputy or attendance officer will make contact with the parent or carer immediately, and if no response will then contact front door services including the social worker.

Designated Safeguarding Leads/Deputies will continue to contact vulnerable children and their families in the following suggested timescales. If the school is closed or these children are not on site: children the subject of a Child Protection Plan (daily), children who have a Child in Need Plan (twice weekly), Looked After Children (twice weekly dependent on the child's individual placement needs) or children with an Early Help Plan (weekly).

If the child is not engaging in their remote learning then contact will be made with parents/carers to discuss the barriers and reason for this and to make sure the child is safe.

If there are any issues raised during this time regarding their care, safety or ability to be contacted then the Designated Safeguarding Lead/Deputy will follow their local safeguarding procedures and contact their local front door services immediately (as per our Child Protection Policy).

If you have concerns about a child then the child protection policy should be followed and contact the DSL or DDSL in school

The number of the Children's Hub is 01429 284284
