

# Wider Curriculum Activities

## Autumn Term 2021-22

OUTSTANDING  
ENRICHMENT

## Introduction

We are excited to share details of our fantastic wider curriculum offer.

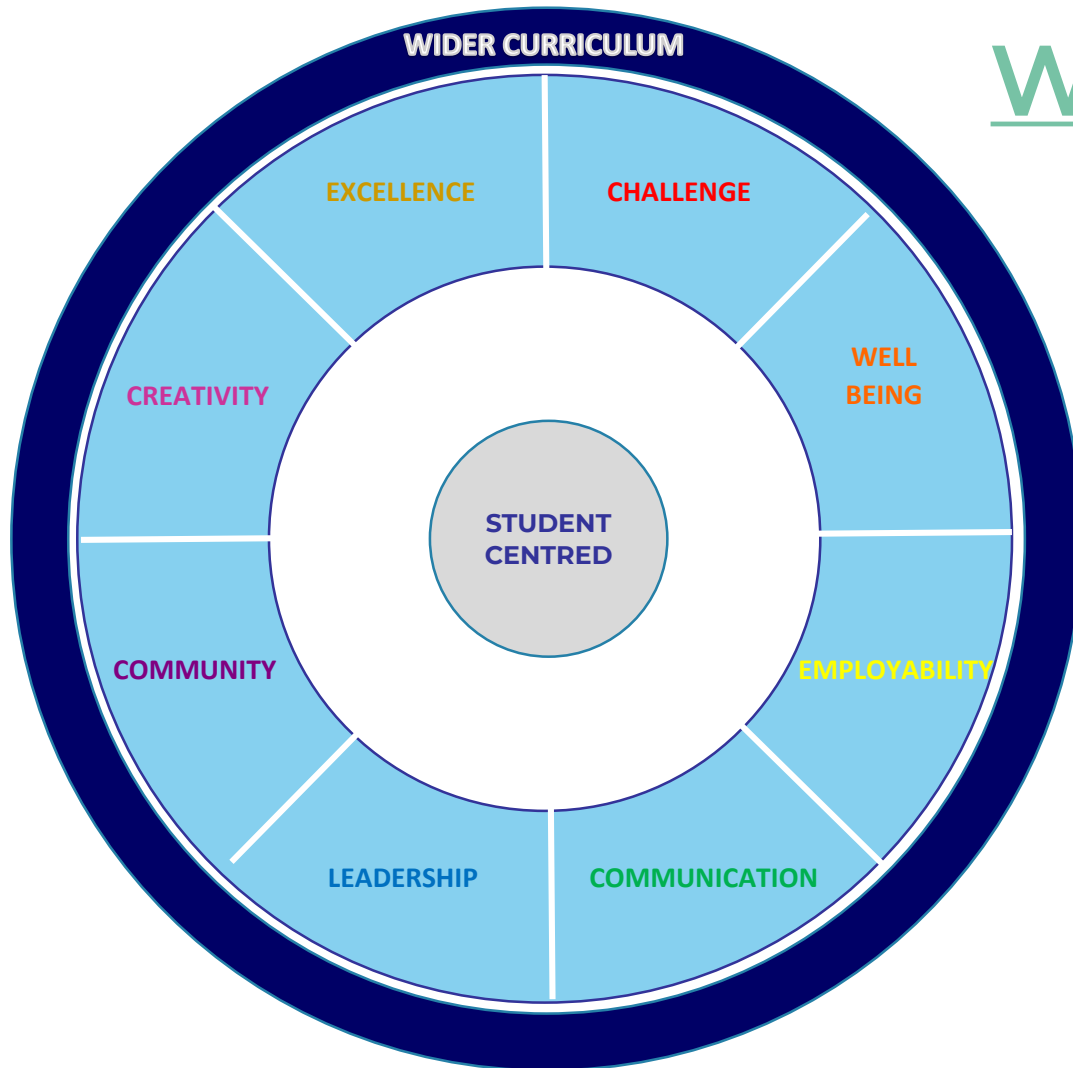

Whether pupils have experienced some of these activities before or if there is something new pupils would like to try, this guide outlines the opportunities on offer across the school.

There are a wide range of activities, across eight enrichment areas, and this guide aims to inform pupils and parents with the details required for engagement.

We look forward to seeing you at some of these activities!

### What are the benefits of attending enrichment activities?

- Meeting new people / making new friends
- Learning new skills
- Challenging yourself
- Making the most of opportunities / being productive with your time
- Helping others
- Improving your health & well-being
- Having fun!

# Wider Curriculum at Eggescliffe

- Focused on student's personal development via:
  - Enriching experiences across eight key areas
  - Acquiring wider knowledge & skills
  - Developing positive character qualities and values.

# Eight Enrichment Areas:

- **Challenge** – promoting the benefits of challenging oneself and healthy competition.
- **Well-being** – supporting physical, social and mental well-being for happy and healthy lives.
- **Employability** - developing transferrable skills, such as organisation and problem-solving.
- **Communication** – helping pupils to enquire, speak and read with confidence.
- **Leadership** – empowering others to lead and to take on responsibility.
- **Community** – encouraging pupils to contribute to school, local and international communities.
- **Creativity** – providing pupils with opportunities to express themselves.
- **Excellence** – preparing pupils with key skills and knowledge to add academic depth, cultural capital and for the next stage of their education.
- sports & music, expeditions such as D of E and world challenge
- yoga, fitness activities, cooking clubs
- enterprise, young engineering and STEM.
- book & film clubs, language clubs, debating activities and drama.
- language ambassador, sports leaders, student leadership group.
- charity work, school action trips, environmental club.
- drama, art, photography, textiles, CDT and graphic design.
- Scholar award, music gradings, sports representation, university visits.

Chemistry Olympiad	EXCELLENCE	Year 13	SC 5 Week A 3:15 – 4:30pm	Mr Longfield

# Rewards:

We believe that students should be rewarded for their commitment at wider curriculum activities, on top of the fantastic experiences they will receive by attending them.

## Epraise

Activity leaders will award:

- **2 points** for attending each session.
- **5 (additional) points** for attending every session in a half-term.
- **10 points** for making an outstanding contribution within the club.

## Certificates

Certificates will also be used to recognise attendance and achievement at clubs:

- **Bronze** – for attendance at 10 sessions across an enrichment area over the year.
- **Silver** – for attendance at 20 sessions.
- **Gold** – for attendance at 30 sessions.
- **EXCELLENCE** certificate – for an outstanding contribution in an area.

# Tutor Discussions:

To provide support, guidance and continue to make pupils aware of the enrichment activities on offer, pastoral staff will have regular conversations with their tutees.

This will involve discussing attendance at enrichment activities and reminding pupils of the current enrichment timetable.

These discussions will also provide opportunities to record attendance at enrichment and set goals.
