2.5 [Class teachers/form tutors]

Class teachers and form tutors are responsible for recording attendance daily, using the correct codes, and submitting this information to the school office. Form tutors will perform this role in morning registration and class teachers will register each class they teach through the course of the school day.

Form tutors and wider pastoral staff (Heads of year, pastoral support staff, Attendance lead, etc) will look to form strong relationships with students and parents/carers to identify barriers to attending school and to initiate further bespoke support where necessary.

2.6 School admin/office staff

School admin/office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls and/or pass on messages from parents to the head of year/pastoral lead to provide them with more detailed support on attendance

2.7 Parents/carers

Parents/carers are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 8.30a.m on the day of the absence (and each subsequent day of absence), and advise when they are expected to return
- Provide the school with at least two emergency contact numbers for their child
- Ensure that, where possible, appointments for their child are made outside of the school day

2.8 Students

Students are expected to:

- Attend school every day on time
- Attend every timetabled session on time

3. Recording attendance

3.1 Attendance register

School will keep an attendance register and place all students onto this register.

School will take the attendance register at the start of the first session of each school day and once during the second session on each afternoon. It will mark whether every student is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry

- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a student is attending an approved educational activity
- The nature of circumstances where a student is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Students must arrive at school by 8.40 a.m. on each school day.

The register for the first session will be taken at 8.45 a.m. and will be kept open until 9.15 a.m. The register for the second session will be taken at 1.15 p.m. and will be kept open until 1.45p.m.

3.2 Unplanned absence

The student's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8.30 a.m. or as soon as practically possible by calling the school admin/office staff (see also section 7).

Parents/carers are to call the school attendance line on 01642 352570 and use Option 1.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the student's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or another appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied with the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this.

3.3 Planned absence

Attending a medical or dental appointment will be counted as authorised, so long as the student's parent/carer notifies the school in advance of the appointment.

Should parents/carers wish to submit a Leave of Absence request, forms must be completed that document the length of the requested period of absence and the reasons for the request. These forms are available from both student services for students to pick up, or from visitors' reception.

We encourage parents/carers to make medical and dental appointments outside of school hours where possible. Where this is not possible, the student should be out of school for the minimum amount of time necessary.

The student's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

3.4 Lateness and Punctuality

A student who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- The school will use the [U] code for arrivals after 30 minutes from the start of the session

In situations where students are late on a regular basis, school will engage with parents to discuss the concerns and to find appropriate measures to support improvements.

3.5 Following up unexplained absence

Where any student we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call/text the student's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the student's emergency contacts, the school may carry out welfare checks/visits. This may be via school staff or by partner organisations.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained. This will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

3.6 Reporting to parents/carers

The school will regularly inform parents about their child's attendance and absence levels. This features on school assessment reports each term. Where concerns exist, parents will be contacted directly by letter or a phone call to offer further support. Excellent attendance will also be communicated and celebrated with parents.

4. Authorised and unauthorised absence

4.1 Approval for term-time absence

The Head of school will only grant a leave of absence to a student during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the head of school's discretion, including the length of time the student is authorised to be absent.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. The headteacher's decision is not subject to appeal. However, the school will be sympathetic to requests for absence by parents, and will not deny any request without good reason.

Any request should be submitted as soon as it is anticipated and, where possible, at least two weeks before the absence, and in accordance with any leave of absence request form, accessible via student services or visitors' reception. The Head of school may require evidence to support any request for a leave of absence.

Requests for leave will not be granted in the following circumstances:

- Immediately before and during assessment periods
- When a student's attendance record shows any unauthorised absence
- Where a student's authorised absence record is already above 10 percent for any reason
- Leave of absence will not be granted for a student to take part in protest activity during school hours.

If term-time leave is not granted, taking a student out of school will be recorded as an unauthorised absence and may result in sanctions, such as a penalty notice. The school cannot grant leaves of absence retrospectively; therefore, any absences that were not approved by the school in advance will be marked as unauthorised.

The headteacher/head of school will only grant a leave of absence to a student during term time if the request meets the specific circumstances set out in the school attendance regulations. These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

Other valid reasons for authorised absence include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments
- Religious observance– where the day is exclusively set apart for religious observance by the religious body to which the student’s parents belong. If necessary, the school will seek advice from the parents’ religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travelers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travelers.
- If the student is currently suspended or excluded from school (and no alternative provision has been made)

4.2 Term time absence for holidays

Any request for leave of absence due to holidays in term time will not be authorised.

The DfE does not consider a need or desire for a holiday or other absence for leisure and recreational circumstances, and therefore there is no entitlement in law to time off in term time. Young people who are absent from school fall behind in their learning. They miss out on school events. Many find it difficult to catch up. In addition, school staff have to divert their attention away from other young people to support those who have fallen behind due to a holiday-related absence.

In the case of unauthorised leave of absence, incurring 10 or more unauthorised sessions (5 days) within 10 school weeks, consideration will be given if a referral should be made to the Local Authority for a fixed penalty notice to be issued or prosecution where repeated penalty notices have been issued. Where the threshold has not been met in the case of persistent avoidance, for example, repeated absence for birthdays or other family events, the school will have discretion to refer the case to the Local Authority. If in an individual case, the Local Authority believes a penalty notice would be appropriate, they retain the discretion to issue one before the threshold is met.

4.3 Extended Leave

When a child is absent from school for an extended period (i.e. 15 school days or more) a parent/carer should advise the school of the temporary address.

4.4 Legal sanctions

The Local Authority may issue Notices to Improve and penalty notices or refer to court for prosecution in line with the National Framework where absences were unauthorised and support has been provided but not worked or engaged with or would not have been appropriate in the circumstances of the offence (e.g., an unauthorised holiday in term time).

A penalty notice is an out-of-court settlement intended to change behaviour without the need for criminal prosecution. The threshold is 10 sessions of unauthorised absence. This can be a combination of any type of unauthorised absence, all taken within any 10-school-week period that may span different terms or school years (e.g., 2 sessions of unauthorised absence in the Summer Term and a further 8 within the Autumn Term).

From Autumn Term 2024, the Local Authority will only issue 2 penalty notices to the same parent in respect of the same child within a 3-year rolling period and any second notice within that period is charged at a higher rate:

- The first penalty notice issued to a parent in respect of a particular student will be charged £160 if paid within 28 days. This will be reduced to £80 if paid within 21 days.
- A second penalty notice issued to the same parent in respect of the same student is charged at a flat rate of £160 if paid within 28 days.
- A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of issue of the first. In a case where the national threshold is met for a third time (or subsequent times) within those 3 years, alternative action will be taken instead. This will often include considering prosecution.

Further information about Stockton on Tees Borough Council's attendance procedures can be found [here](#).

5. Strategies for promoting attendance

In order to ensure the school has effective procedures for promoting attendance and managing absence, the attendance officer, supported by Pastoral Leads, the school's Attendance Champion and Senior Leadership team will:

- Celebrate high attendance through social media, newsletters and other parent/carers communications
- Establish a range of specific, evidence-based interventions to address barriers to attendance when patterns of absence emerge. These may include communication with home, letters to parents/carers, parent/carers meetings, devising an attendance plan with parents/carers, engaging with Local Authority attendance teams.
- The school will use attendance data in line with the 'Attendance Monitoring' section of this policy to develop specific strategies to improve attendance where patterns of absence are emerging. These strategies will be developed on a case-by-case basis, and will consider the particular needs of the student.

Promoting good attendance will be conducted via a range of strategies. Namely:

- Weekly raffles in tutor groups for students who have been in school all week
- Assemblies promoting the importance of attendance and the impact of poor attendance

- Positive communications with students – regular self-tracking of attendance will be carried out in tutor group sessions with tutors
- Positive communications with parents – strong attendance and the importance of good attendance will be communicated to parents
- Social media promotion of current attendance patterns and the importance of good attendance

6. Attendance monitoring

School will regularly examine attendance patterns for different cohorts of students (year groups, boys/girls, Student Premium, SEND, students who have EAL, etc) to identify concern areas and to implement appropriate measures to support groups of students or to ensure support for individual students.

6.1 Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual student level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Student-level absence data will be collected each term and published at national and local authority levels through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

6.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify students or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these students and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

6.3 Using data to improve attendance

The school will:

- Provide regular attendance reports to form tutors and other school leaders, to facilitate discussions with students and families

- Use data to monitor and evaluate the impact of any interventions put in place to modify them and inform future strategies

6.4 Reducing persistent and severe absence

Persistent absence is where a student is absent for 10% or more of school, and severe absence is where a student misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of students whom the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance
- School will look to organise meetings with parents/carers where a student's attendance has fallen below certain thresholds and support is needed to enable improvement. School use a traffic light monitoring system to communicate concerns to parents and to then initiate support.

7. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by Mr. M. Cowan, the designated senior leader responsible for attendance. At every review, the policy will be approved by the full governing board.

8. Support

The school will:

- Build relationships with students and families to encourage regular school attendance.
- Analyse and use data and relationship knowledge to prevent regular absence.
- Using resources (School-based and external services) to intervene early with support.
- Use targeted support for persistent/severe absences.

9. Truancy

Truancy will be considered as any absence of part, or all, of one or more days from school, during which the school has not been notified of the cause behind such absence.

All staff will be actively engaged in supporting the regular attendance of students, and understand the importance of continuity in each student's learning. Any student with permission to leave the school during the day must sign out at Visitors' reception and sign back in again on their return. Immediate

action will be taken when there are any concerns that a student might be truanting. If truancy is suspected, school will contact the parent/carer in order to assess the reasons behind the student not attending school.

The following procedures will be taken in the event of a truancy:

- In the first instance, a letter of warning will be sent to the parents of the student, informing them of the truancy and stating that any future occurrences could result in further action being taken.
- If any further truancy occurs, then the school will consider a penalty notice.
- A penalty notice will be issued where there is overt truancy, inappropriate parentally-condoned absence, excessive holidays in term-time and persistent late arrival at school.

The Designated Safeguarding Lead will be involved where an instance of truancy may be linked to a safeguarding concern. Any safeguarding concerns will be dealt with in line with the Child Protection and Safeguarding Policy.

10. Children reported missing in school

Students will not be permitted to leave the school premises during the school day unless they have permission from the school. The following procedures will be taken in the event of a student going missing whilst at school:

- The member of staff who has noticed the missing student will inform a member of the School Attendance Team/on call pastoral team immediately.
- The office staff will also be informed as they will act as a point of contact for receiving information regarding the search.
- An available member of staff will conduct a thorough search of the school premises.
- The following areas will be systematically searched:
 - Classrooms
 - Toilets
 - Any outbuildings
 - The school grounds
- Available staff will begin a search of the area immediately outside of the school premises, and will take a mobile phone with them so they can be contacted.
- If the student has not been found after 10 minutes, then the parents of the student will be notified.
- The school will attempt to contact parents using the emergency contact numbers provided.
- If the parents have had no contact from the student, and the emergency contacts list has been exhausted, the police will be contacted.
- Relevant information relating to the student's absence would be recorded by the most appropriate member of staff to the situation. For example, using CPOMS.

- If the missing student has an allocated social worker, is a looked-after child, or SEND, then the appropriate personnel will be informed.
- When the student has been located, members of staff will care for and talk to the student to ensure they are safe and well.
- Parents and any other agencies will be informed immediately when the student has been located.

The headteacher/ head of school/ senior leaders will take the appropriate action to ensure that students understand they must not leave the premises, and sanctions will be issued if deemed necessary. Appropriate disciplinary procedures will be followed in accordance with the Behaviour Policy.
